

FUNCTIONAL INFORMATION LEAFLET FOR DIGITAL SIGNAGE & IPTV

FEATURE: CANVA

Canva is a user-friendly design tool for creating visuals like presentations, posters and videos. With the help of templates, you can easily create beautiful pages without any graphic design skills. When connected to digital signage, any changes made in Canva are automatically updated on your screens—saving time and keeping your content always fresh.

Canva

Design made easy, and free

1. Create a public link in Canva
2. Paste the link in Oscart
